

#FOODIEFRIDAY: TRICK OR TREAT YOURSELF, Y'ALL!

OCTOBER 23, 2020
BY JULIE TERESHCHUK

We might not be heading to our favorite costume party, or handing out candy to neighborhood kiddos, but we can still have fun, be safe and treat ourselves during the season of all things boo.

Our Texas roundup has something for adults and for kiddos, so whether you're celebrating Halloween, Dia de los Muertos, or both—we've got you all covered this spooky season.

This Halloween Eatzi's Market & Bakery is offering a variety of Halloween-themed Chocolate Covered Oreos available in a three pack for \$7.99 and a 12 pack for \$28.99. Milk not required!
