BY RAVEN JORDAN

Turkey time is quickly approaching (hard to believe it's next Thursday!) and meal preparations may be the last thing on your mind.

Fortunately, if you're looking to stuff yourself without the added steps of cooking and a sink full of dishes, these eateries have got that covered.

Eatzi's Market and Bakery offers special Thanksgiving items like oven-roasted turkey breast, green bean casserole, butter whipped potatoes, cranberry sauce and pumpkin pie. There are also spicy sides such as the jalapeño corn bread. All Thanksgiving items are available from Nov. 18 to Nov. 23 and pickup is Nov. 18 to Nov. 24. Eatzi's Preston Hollow location is at 6025 Royal Ln #208.
