Just a few minutes from downtown, Oak Lawn is easily one of Dallas' trendiest neighborhoods. The progressive district, which was a hub of the counterculture movement in the '60s and '70s, has evolved into a vibrant food haven today where all tastes are welcome.

With traditional Tex-Mex, homestyle favorites, and dishes with a foreign flair, restaurants in Oak Lawn are sure to hit the spot. What's also unexpectedly unique is the history behind some of these locales, making them a proud representation of what the community stands for.

### **Eatzi's Market & Bakery**

Indulge your tastebuds with a wide variety of options at this super popular European style market. Highlights from the menu include salmon, fried chicken, and a wide variety of pasta. Eatzi's also has excellent ingredients for those looking to customize a quick, budget-friendly lunch or sneak a treat from their incredible bakery. Daily desserts, like the almond croissant and crème brûlée, are a must.
