This Thanksgiving, we're just grateful we can afford dinner. The Great Turkey Panic has begun, and the price of Thanksgiving foods is up as much as 20 percent. That's due partly to short supplies and partly to the labor shortage at farms and production facilities.

Eatzi's, 1540 S.. University Drive or 1200 Texas 114 West, Grapevine, is taking advance orders for dinners featuring turkey breast or chipotle-bacon turkey legs, ham or rib roast; 817-945-9095 or 817-527-4007, eatzis.com.
