FEBRUARY 3, 2023

BY DAVID MULLEN

With Valentine's Day falling on Tuesday, Feb. 14, celebrations will be extended throughout a long weekend. Love will be everywhere, even in the air. Just look up at Reunion Tower and a "Valentine's Medley" will light up the ball from Friday, Feb. 10 through Tuesday, Feb. 14.

Eatzi's Market & Bakery special offerings include filet mignon with cabernet butter, crab-stuffed lobster tail, espresso and cocoa-rubbed wagyu sirloin with black raspberry port demi-glace and 5-inch Valentine's Day tower of power with chocolate cake, chocolate mousse and cheesecake.
