It's the time of the year we've all been waiting for: The pumpkin has arrived. Can you smell the cinnamon and nutmeg from where you are sitting? Dallas restaurants are dishing out pumpkin cinnamon rolls, pumpkin pecan pie pancakes, pumpkin pie milkshakes, pumpkin bundt cakes — savory pumpkin items, too, like pumpkin beef chili and pumpkin carbonara.

And this is only the beginning, as pumpkin items are sure to be emerging for at least another month. Something to look forward to!

In non-pumpkin news, there are new high-end dining experiences that can be had for a song, and a fall patio bar dedicated to bubbly. Here's what's happening in Dallas restaurant news:

**Eatzi's Market & Bakery** has a pumpkin menu with three new items: toffee pecan cake layered with toffee, pecans, and brown butter frosting, available as a whole cake or by the slice; pumpkin cinnamon roll with cinnamon cream cheese icing; and pumpkin matcha latte cold matcha blended with pumpkin. Three returning favorites include pumpkin bread with cream cheese filling, by the loaf, half loaf, or slice; pumpkin muffin with cream cheese filling; and pumpkin cold brew. Available through November 26.
