BY MARC LEE

For some people, Halloween is the best holiday of the year — and Fort Worth restaurants are ready to serve, whether that's special sweet treats or spooky events, there's plenty going down during the witching season.

### **Eatzi's Market & Bakery**

Halloween goodies include: The Ginger Dead Man, a soft, spiced skeleton-shaped gingerbread cookie; Spooky Cupcakes that include Vanilla Jack-O'-Lantern, Chocolate Mummy, and Red Velvet Spider; and chocolate-covered Oreos dressed up for Halloween. Through October 31.
